

Yvonne Ramage

funky, folky rock ... with a little groove

Yvonne Ramage is an acoustic solo artist (guitar/vocals), who has performed her original music both nationally and internationally.

Her sound is a polished, funky-folky mix of up-beat sounds, described as a powerful expression between neo-soul, world, folk and pop. Her lyrical depth and magnetic vocals lay the smooth and inviting groundwork for her well crafted songs.

The result is an evening that leaves you with bounce in your step and hope in your heart.
